<title> Topic: Antitrust Cases Pending

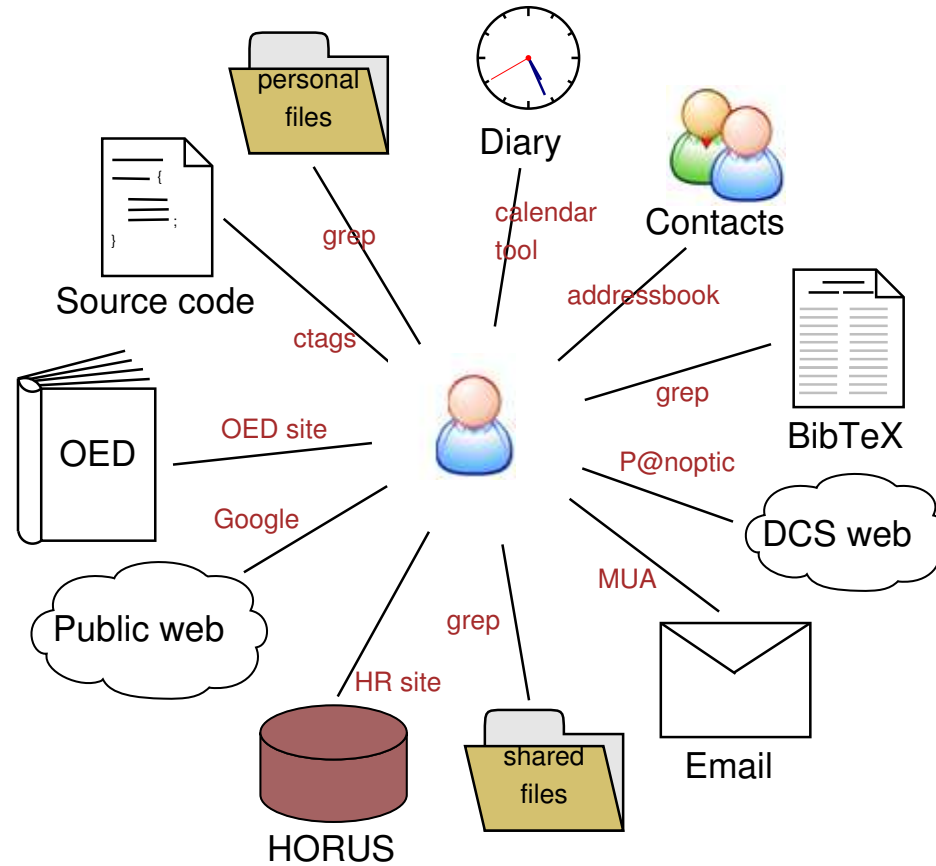

<desc> Document discusses a pending antitrust case.

<narr> To be relevant, a document will discuss a pending antitrust case and will identify the alleged violation as well as the government entity investigating the case.

Identification of the industry and the companies involved optional. The antitrust investigation must be a result of a complaint, NOT as part of a routine review.

<con> monopoly, bid-rigging, illegal restraint of trade, insider trading, price-fixing, acquisition, merger, takeover, buyout, ...
