

PhD APAI Scholarship in Language Technology, Monash University

This scholarship is for research on an ARC Linkage project entitled "Sentiment detection from opinion surveys -- the quest for customer and employee satisfaction". This project has a Melbourne-based industry partner, GAPbuster Worldwide.

Successful candidates will have a 1st class honours or Masters degree in Computer Science or equivalent, exceptional academic record, excellent programming skills, strong communications skills, and ability to work in a team environment.

The studentship is available for Australian citizens and permanent residents and New Zealand citizens, for a period of 3 years, receiving \$25,627 per annum. The studentship must be taken up by March 31, 2009 at the latest. For further information and applications please contact Prof Ingrid Zukerman at Ingrid.Zukerman@infotech.monash.edu.au.
